

<b>Policy Name:</b>	<b>LOCAL PLANNING POLICY: RECIPROCAL CAR PARKING</b>
<b>Objective:</b>	To provide guidance to the development industry that Council may give consideration to reciprocal car parking arrangements.
<b>Key Words:</b>	Reciprocal Car Parking
<b>Statutory Compliance:</b>	Local Planning Scheme No. 23

### **Policy Provisions:**

Where different land uses on a property are proposed that have different operating hours (e.g. nightclub and office development), consideration may be given to approving reciprocal arrangements for car parking having regard to the different car parking demand requirements. Agreement to such arrangements may require the parties to the reciprocal arrangement to enter into an appropriate agreement to which Council is the controlling party.
