

## Coastal Camping Tips

Campsites within the Shire of Esperance are situated in fragile coastal country.

You can help to preserve these areas by following these simple guidelines.

- Deadwood is an essential part of the ecosystem, providing homes for lizards and insects and in stabilising the soil. Please leave it where it belongs. (Fires are not permitted in DEC Campsites)
- Stick to the formed beach access points.
- Take a portaloos to campsites without facilities.
- Take rubbish home

### When four wheel driving

- Always keep your vehicle in 4WD on sand tracks. Wheel slip quickly leads to track degradation.
- Reducing the pressure in your tyres is the easiest way to negotiate very boggy sections.
- Please ensure that you leave campsites and surrounds as you found them.
- Stick to existing tracks.

## Please Help Us....

...if you witness other people littering, lighting illegal fires or vandalising campsites, make note of the vehicle registration number and contact the Shire Rangers as soon as possible.

Department of Environment and Conservation (08) 9083 2100

Shire of Esperance Rangers: (08) 9083 1533

Following the introduction of the Caravan and Camping Regulation (1997) on 1 July 1997, it is now an offence to camp on any land without the consent of the owner. This effectively means that camping anywhere within the Shire of Esperance apart from in registered camping grounds or on private property with the consent of the owner, is an offence.

The penalties associated with a breach of the Regulations in relation to camping involve either a \$100 on-the-spot fine imposed by infringement, or up to \$1,000 if dealt with by a summons to appear in Court.

***Thank you for helping to  
preserve our beautiful coast.  
Enjoy your stay!***

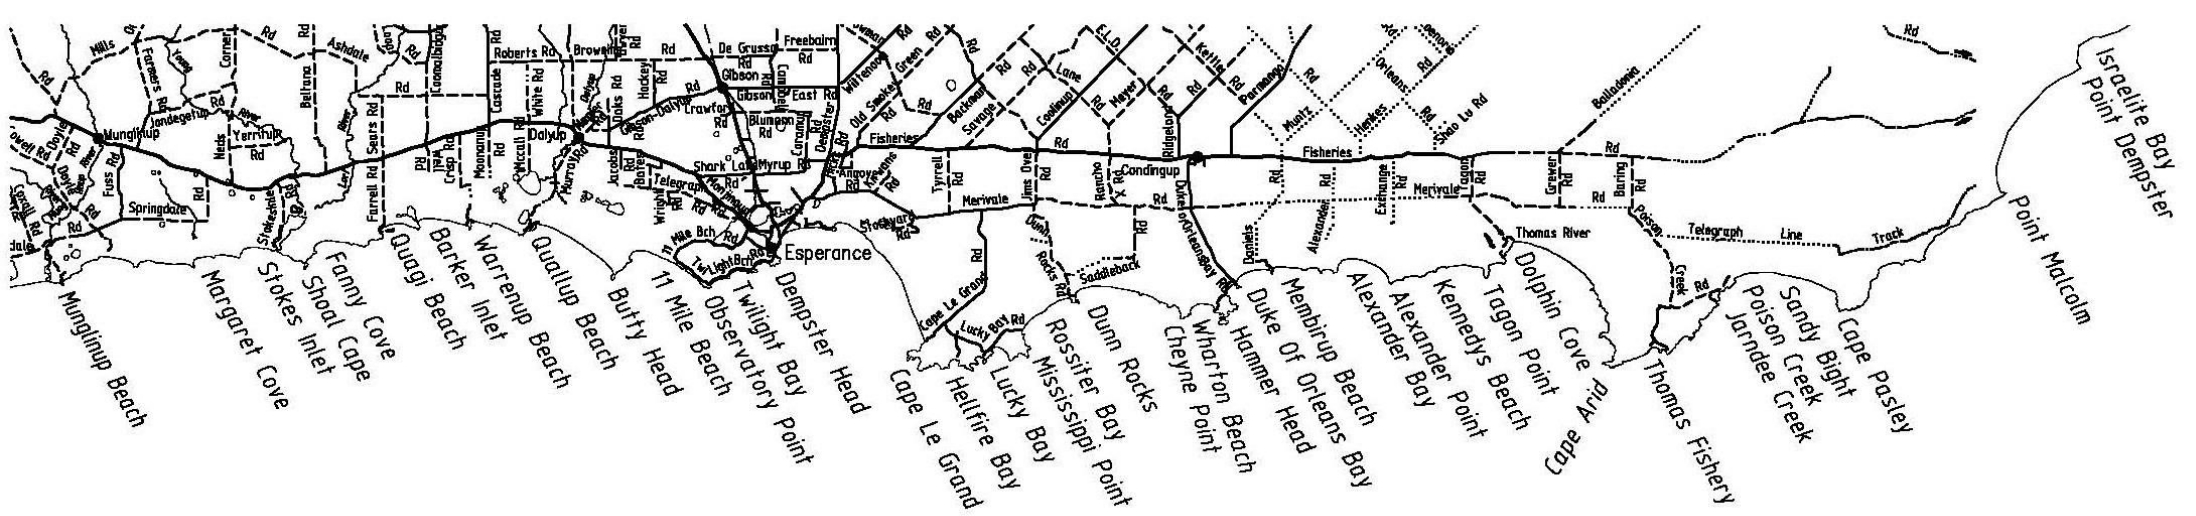

## Camping in the Shire of Esperance

The Shire of Esperance and the Department of Environment and Conservation manage a number of public campsites situated in beautiful coastal environments.

They have been established as low-key campsites suitable for one or two day stopovers. Facilities at these campsites are basic.
