Class	Description
Power Circuit	45 minutes of 2-4 rounds of various weighted and cardio stations with an added core inspired moment between rounds. This class is tailored for all levels of fitness and ability which will challenge and inspire you to get the most out of your workout.
Les Mills BodyPump	Is the original barbell class that strengthens and tones the body. This workout challenges all major muscle groups by using the best weight room exercises like squats, presses, lifts and curls. Pumping music, awesome Instructors and the fastest way to lose body fat and shape up.
BoxFIT	BoxFIT gives you an excellent cardio workout that will improve your strength, aerobic levels and coordination while lowering stress levels and blood pressure.
Les Mills BodyCombat	Body Combat is a high energy, non-contact fitness class that combines taekwondo, kung fu and other martial arts. A great workout to tone your whole body and feel empowered in your workout.
Zumba	A lively, energetic workout that combines dance and aerobic elements set to upbeat music, typically featuring Latin and international rhythms. A vibrant mix of fitness, dance, and fun.
Ninja Tots	Ninja tots isn't just a gymnastics class for toddlers (18mth - 4yrs) it's more than that. It teaches tots to balance, tumble and coordinate through mazes and obstacles whilst using interactive activities that keep them engaged and connected while moving and grooving to the sound of the beat.
Pilates	Pilates is based on the principal teachings of "Joseph Pilates", the creator and founder of Pilates. His philosophy of continually improving physical and mental health through movement is the foundation of this class and the benefits have no boundaries.
AquaFit	A low impact class in the water, helping support the body and provide resistance to increase your strength and improve your health. Classes are perfect for people wanting to increase fitness without too much impact on the body.
Spin	A dynamic indoor cycling workout which takes you through an energy charged cardiovascular fitness, muscle strength and endurance. Classes include a variety of sprints and hill climbs with motivating music. If it is a calorie burn you seek, then this is the class for you.
Body Blitz	Challenge your entire body with Body Blitz, a dynamic workout that combines resistance training and endurance exercises. Sculpt, strengthen, and tone every major muscle group in an efficient, high-energy session designed to boost endurance, build muscle, and burn calories.
Glute Sculpt	Glute Sculpt is a focused weighted workout designed to lift, shape, and tone your glutes. Target key muscles with precise exercises to achieve a firmer, more defined lower body. Perfect for all fitness levels.
Express Step	An engaging, motivating great cardio workout, this step class will get the heart pumping as well as tone and strengthen the legs, arms and core.
Les Mills Pilates	A 45-minute mind-body workout using slow, focused movements to strengthen your abs, glutes, back, and hips. With expert guidance, you'll build control, improve technique, and develop deep strength and mobility—leaving you feeling strong, balanced, and uplifted.
Slow flow Yoga	Slow flow yoga combines the rhythm of traditional yoga with a slower pace, enhancing mindfulness and relaxation with longer holds in each pose. Slow flow yoga is a low-impact yoga workout excellent for beginners and those seeking stress relief.
