

Candidate Details

Ballot paper name	CHAMBERS, Ron
Candidate name	Ronald George CHAMBERS
District	Shire of Esperance
Nominating for	President for Shire of Esperance
Election type	Ordinary
Enrolment status	CHAMBERS, Ron is eligible to stand for election as a resident of the Shire of Esperance.

I would like to thank the Esperance community for the privilege of serving on Council for the past 4 years, the last two years as the Deputy Shire President. I found this time to be as challenging as it has been rewarding.

As Deputy President, a business owner, volunteer and long term Esperance Resident, I have worked closely with current Councillors, Shire Staff and community to create a clear understanding of what is important to Esperance.

We, as a Council, have worked hard to develop a strong relationship with the Esperance community through being open, accountable and consultative. I am nominating for the role of Shire President, as I feel I have the ability, knowledge and experience to ensure we maintain positive momentum.

Key projects are the Waste Transfer Station, James Street Precinct and the upgrading of the Airport, as well as lobbying for upgrades to the Esperance Senior High School.

I will always look for the best outcome that will see Esperance continue to grow and prosper.
