

Candidate Details

Ballot paper name	STARCEVICH, Samantha
Candidate name	Samantha STARCEVICH
District	Shire of Esperance
Nominating for	Councillor for Rural Ward
Election type	Ordinary
Enrolment status	STARCEVICH, Samantha is eligible to stand for election as a resident of the Shire of Esperance.

I am a long time resident and farmer of Salmon Gums, a proud mother and Nanna.

I have strong ties to the region having served my community in various roles at a local, state and federal level with ICPA , the P&C and local community groups.

My leadership and decision making skills have been sharpened with my recent completion of the Grain Growers Social Leaders Program.

I believe our regional towns have great economical and tourism potential, whilst respecting our history, but planning for our future. I want to be in a position to help keep our sustainable farming strong and rural communities grow for our future generations.

I believe I can be a fair representative for my rural ward, and am prepared to work with my fellow Councillors to do what is best for our large and diverse region.

Thanks for your support and consideration to represent you.
