I'm a long time resident of Esperance, deeply connected to our community. My passion lies in representing the youth in local politics and ensuring a sustainable future. With experience as an asset designer for the Shire, chairing the Sustainability Working Group, and serving on Horizon Power's Customer Council, I understand the dynamics of public service. I aim to focus on environmental sustainability and community well-being. As an advocate for local businesses, economic growth, and sustainable development, I plan to foster job creation and improve infrastructure. I'm dedicated to addressing social issues and promoting green technologies, striving for a better quality of life for all. I am committed to accessible communication and engagement with community groups. Guided by values of integrity, honesty, and accountability, I aim to make a positive impact on Esperance.
