District	Shire of Esperance
Nominating for	Councillor for Town Ward
Election type	Ordinary
Enrolment status	OBOURNE, Jennifer is eligible to stand for election as a resident of the Shire of Esperance.

Thank you for trusting me four years ago to represent you. Serving on Council since then, I have enjoyed contributing to the development and wellbeing of our community. Together, we made it through Covid, caring for each other. And we've achieved some big projects and important outcomes, such as the new Esperance Jetty; an upgraded and expanded CCTV network; and live streaming of Council meetings to enhance both accessibility and accountability of our decision making processes. One of my key leadership strengths is communication. Listening & genuine engagement builds trust and informed decision making. I am proudly supporting:

- * A new library
- * Advocating for the ESHS upgrades
- * Community safety
- * Community housing & a seniors village
- * Responsible rates management
- * Sustainably managed environment
- * Transparent & consultative leadership
- * Upgrading the Esperance airport runway

I would value the opportunity to continue on as one of your Councillors. Many thanks, Jennifer Obourne.
