

## EVRC Hire – Equipment & Fees

The Esperance Volunteer Resource Centre has a number of items available for hire.

This is a free service for non-profits and community groups.

For private hire, there is a hire fee.

If you are unsure if you are entitled to free hire, please email or call us to ask.

We have gone to the effort of sourcing and maintaining high-quality equipment so we expect things to be returned exactly as they were rented out to you. If items are returned dirty or damaged, fees will apply and this service will be at risk of no longer existing. Honesty is the best policy – if you break something, please be honest.

### Damage & Replacement Fees:

**Damage fees** will be 10% of the replacement cost for the item.

**Replacement fees (item beyond repair)** – will be 80% of the replacement cost for the item.

### Fees for private equipment hire

Items available for hire	Hire fee per day (+10% GST will be added to your invoice)
