Class	Description
AquaFit	A low impact class in the water, helping support the body and provide resistance to increase your strength and improve your health. Classes are perfect for people wanting to increase fitness without too much impact on the body.
Body Blitz	Challenge your entire body with Body Blitz, a dynamic workout that combines resistance training and endurance exercises. Sculpt, strengthen, and tone every major muscle group in an efficient, high-energy session designed to boost endurance, build muscle, and burn calories.
BoxFIT	BoxFIT gives you an excellent cardio workout that will improve your strength, aerobic levels and coordination while lowering stress levels and blood pressure.
Express Cycle	A high-energy 30-minute cycle class set to fun, upbeat music. Burn calories, get your heart pumping, and add some playful upper-body dance moves for an extra boost of fun and intensity. Perfect for a quick, effective workout!
Glute Sculpt	Glute Sculpt is a focused weighted workout designed to lift, shape, and tone your glutes. Target key muscles with precise exercises to achieve a firmer, more defined lower body. Perfect for all fitness levels.
Les Mills Body Pump	Is the original barbell class that strengthens and tones the body. This workout challenges all major muscle groups by using the best weight room exercises like squats, presses, lifts and curls. Pumping music, awesome Instructors and the fastest way to lose body fat and shape up
Les Mills Pilates	A 45-minute mind-body workout using slow, focused movements to strengthen your abs, glutes, back, and hips. With expert guidance, you'll build control, improve technique, and develop deep strength and mobility, leaving you feeling strong, balanced, and uplifted
Les Mills Shapes	An invigorating blend of Pilates, Sculpt, and power yoga set to modern beats. With small, controlled movements, you sculpt and strengthen all major muscle groups, improve alignment and increase flexibility. It's a low impact but intense way to heat up your training.
M Swing	A low-impact strength session designed to build functional fitness through controlled, joint-friendly movements. You'll strengthen major muscle groups, improve balance and mobility, and support better posture and everyday movement. Suitable for all levels, this class delivers a steady challenge without high impact—helping you feel stronger, more stable, and confident in your body.
Ninja Tots	Ninja tots isn't just a gymnastics class for toddlers (18mth - 4yrs) it's more than that. It teaches tots to balance, tumble and coordinate through mazes and obstacles whilst using interactive activities that keep them engaged and connected while moving and grooving to the sound of the beat.
Pilates	Pilates is based on the principal teachings of "Joseph Pilates", the creator and founder of Pilates. His philosophy of continually improving physical and mental health through movement is the foundation of this class and the benefits have no boundaries
Power Circuit	45 minutes of 2-4 rounds of various weighted and cardio stations with an added core inspired moment between rounds. This class is tailored for all levels of fitness and ability which will challenge and inspire you to get the most out of your workout.
Slow flow Yoga	Slow flow yoga combines the rhythm of traditional yoga with a slower pace, enhancing mindfulness and relaxation with longer holds in each pose. Slow flow yoga is a low-impact yoga workout excellent for beginners and those seeking stress relief.
Spin	A dynamic indoor cycling workout which takes you through an energy charged cardiovascular fitness, muscle strength and endurance. Classes include a variety of sprints and hill climbs with motivating music. If it is a calorie burn you seek, then this is the class for you.
Step & Tone	An engaging, motivating, great cardio workout. This step class will get your heart pumping as well as tone and strengthen the leg, arms and core.
SwimFit	A one-hour fitness program for confident swimmers focusing on building strength, speed, and cardiovascular endurance. Coached by a qualified instructor and follow a new weekly program to keep workouts challenging varied, and effective.
Tabata	A fast-paced, interval workout designed to boost fitness and burn calories. Using simple, controlled movements in short bursts of effort, this Tabata class improves strength, endurance, and overall conditioning, all in a fun, efficient format.
