SHIRE OF ESPERANCE
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30 JUNE 2026

1 BASIS OF PREPARATION

The annual budget of the Shire of Esperance which is a Class 2 local government is a forward looking document and has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996* prescribe that the annual budget be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from *AASB 16 Leases* which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this annual budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the annual budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The local government reporting entity

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this annual budget.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 14 to the annual budget.

2024/25 actual balances

Balances shown in this budget as 2024/25 Actual are estimates as forecast at the time of preparation of the annual budget and are subject to final adjustments.

Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Rounding off figures

All figures shown in this statement are rounded to the nearest dollar.

Statement of Cashflows

Investing and financing transactions that do not require the use of cash or cash equivalents shall be excluded from a statement of cash flows. Such transactions shall be disclosed elsewhere in the financial statements in a way that provides all the relevant information about these investing and financing activities.

Initial application of accounting standards

During the budget year, the below revised Australian Accounting Standards and Interpretations are expected to be compiled, become mandatory and be applicable to its operations.

- *AASB 2020-1 Amendments to Australian Accounting Standards*
 - *Classification of Liabilities as Current or Non-current*
- *AASB 2022-5 Amendments to Australian Accounting Standards*
 - *Lease Liability in a Sale and Leaseback*
- *AASB 2022-6 Amendments to Australian Accounting Standards*
 - *Non-current Liabilities with Covenants*
- *AASB 2023-1 Amendments to Australian Accounting Standards*
 - *Supplier Finance Arrangements*
- *AASB 2023-3 Amendments to Australian Accounting Standards*
 - *Disclosure of Non-current Liabilities with Covenants: Tier 2*
- *AASB 2024-1 Amendments to Australian Accounting Standards*
 - *Supplier Finance Arrangements: Tier 2 Disclosures*

It is not expected these standards will have an impact on the annual budget.

- *AASB 2022-10 Amendments to Australian Accounting Standards*
 - *Fair Value Measurement of Non-Financial Assets of Not-for-Profit Public Sector Entities*, became mandatory during the budget year. Amendments to *AASB 13 Fair Value Measurement* impacts the future determination of fair value when revaluing assets using the cost approach. Timing of future revaluations is defined by regulation 17A of *Local Government (Financial Management) Regulations 1996*. Impacts of this pronouncement are yet to be quantified and are dependent on the timing of future revaluations of asset classes. No material impact is expected in relation to the 2025-26 statutory budget.

New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- *AASB 2014-10 Amendments to Australian Accounting Standards*
 - *Sale or Contribution of Assets between an Investor and its Associate or Joint Venture*
- *AASB 2024-4b Amendments to Australian Accounting Standards*
 - *Effective Date of Amendments to AASB 10 and AASB 128* [deferred AASB 10 and AASB 128 amendments in AASB 2014-10 apply]
- *AASB 2022-9 Amendments to Australian Accounting Standards*
 - *Insurance Contracts in the Public Sector*
- *AASB 2023-5 Amendments to Australian Accounting Standards*
 - *Lack of Exchangeability*
- *AASB 18 (FP) Presentation and Disclosure in Financial Statements*
 - (Appendix D) [for for-profit entities]
- *AASB 18 (NFP/super) Presentation and Disclosure in Financial Statements*
 - (Appendix D) [for not-for-profit and superannuation entities]
- *AASB 2024-2 Amendments to Australian Accounting Standards*
 - *Classification and Measurement of Financial Instruments*
- *AASB 2024-3 Amendments to Australian Accounting Standards*
 - *Standards – Annual Improvements Volume 11*

It is not expected these standards will have an impact on the annual budget.

Critical accounting estimates and judgements

The preparation of the annual budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
 - Property, plant and equipment
 - Infrastructure
- Expected credit losses on financial assets
- Assets held for sale
- Impairment losses of non-financial assets
- Investment property
- Estimated useful life of intangible assets
- Measurement of employee benefits
- Measurement of provisions

Total rates including prepaid					28,042,679	35,000	28,077,679	26,786,131	26,851,952
Instalment plan interest							78,000	79,074	62,000
Late payment of rate or service charge interest							40,000	41,013	21,000
							118,000	120,087	83,000

The Shire did not raise specified area rates for the year ended 30th June 2026.

*Rateable Value at time of adopting budget.

All rateable properties within the district used predominately for non-rural purposes are rated according to their Gross Rental Valuation (GRV), all other properties are rated according to their Unimproved Valuation (UV)

The general rates detailed for the 2025/26 financial year have been determined by Council on the basis of raising the revenue required to meet the estimated deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than general rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum payments have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

EXPLANATION OF DIFFERENCE IN NET CURRENT ASSETS AND SURPLUS/(DEFICIT)

Items excluded from calculation of budgeted deficiency

When calculating the budget deficiency for the purpose of Section 6.2 (2)(c) of the *Local Government Act 1995* the following amounts have been excluded as provided by *Local Government (Financial Management) Regulation 32* which will not fund the budgeted expenditure.

(c) Non-cash amounts excluded from operating activities

The following non-cash revenue or expenditure has been excluded from amounts attributable to operating activities within the Statement of Financial Activity in accordance with *Financial Management Regulation 32*.

Adjustments to operating activities

Less: Profit on asset disposals
Less: Fair value adjustments to financial assets at fair value through profit and loss
Add: Loss on asset disposals
Add: Depreciation
Movement in current employee provisions associated with restricted cash
Non-cash movements in non-current assets and liabilities:
- Pensioner deferred rates
- Employee provisions
- Other provisions
- Inventory

Non cash amounts excluded from operating activities

3. NET CURRENT ASSETS

(f) MATERIAL ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

INVENTORIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

SUPERANNUATION

The Shire contributes to a number of superannuation funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans.

INVENTORY - LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Inventory - land held for resale is classified as current except where it is held as non-current based on the Shire's intentions to release for sale.

GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CONTRACT LIABILITIES

Contract liabilities represent the Shire's obligation to transfer goods or services to a customer for which the Shire has received consideration from the customer.

Contract liabilities represent obligations which are not yet satisfied. Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for grants, contributions, reimbursements, and goods sold and services performed in the ordinary course of business.

Trade and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components, when they are recognised at fair value.

Trade receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

The Shire applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

PROVISIONS

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

EMPLOYEE BENEFITS

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the determination of the net current asset position. The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the determination of the net current asset position.

Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

CONTRACT ASSETS

Contract assets primarily relate to the Shire's right to consideration for work completed but not billed at the end of the period.

SHIRE OF ESPERANCE
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30 JUNE 2026

4. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

	Note	2025/26 Budget	2024/25 Actual	2024/25 Budget
		\$	\$	\$
Cash at bank and on hand		14,394,547	21,273,666	22,626,299
Term deposits		11,000,000	26,000,000	9,000,000
Total cash and cash equivalents		25,394,547	47,273,666	31,626,299
Held as

Increase/(decrease) in contract liabilities		200,000	358,526	225,000
Increase/(decrease) in employee provisions		279,652	(5,759)	279,652
Capital grants, subsidies and contributions		(36,174,101)	(12,007,869)	(20,074,997)
Net cash from operating activities		8,367,903	15,434,065	7,004,897

MATERIAL ACCOUNTING POLICES

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 3 - Net Current Assets.

FINANCIAL ASSETS AT AMORTISED COST

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

MATERIAL ACCOUNTING POLICIES

RECOGNITION OF ASSETS

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

GAINS AND LOSSES ON DISPOSAL

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

MATERIAL ACCOUNTING POLICIES

DEPRECIATION

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable asset are:

Buildings	30 to 75 years
Furniture and equipment	5 to 20 years
Plant and equipment	3 to 15 years
Motor vehicles	5 to 20 years
Road making plant	5 to 12 years
Infrastructure - roads	15 to 60 years
Works in progress	
Right of use - plant and equipment	Based on the remaining lease

AMORTISATION

The depreciable amount of all intangible assets with a finite useful life, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The assets residual value of intangible assets is considered to be zero and useful live and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income.

Loan facilities			
Loan facilities in use at balance date	4,121,642	1,554,398	3,989,304

MATERIAL ACCOUNTING POLICIES

BORROWING COSTS

The Shire has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

Borrowings fair values are based on discounted cash flows using a current borrowing rate.

MATERIAL ACCOUNTING POLICIES

LEASES

At the inception of a contract, the Shire assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the commencement date, a right-of-use asset is recognised at cost and a lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Shire uses its incremental borrowing rate.

LEASE LIABILITIES

The present value of future lease payments not paid at the reporting date discounted using the incremental borrowing rate where the implicit interest rate in the lease is not readily determined.

(b) Reserve Accounts - Purposes

In accordance with Council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

Reserve name	Anticipated date of use	Purpose of the reserve
Restricted by council		
(a) Employee Entitlements Long Service Leave	Ongoing	Established to fund a portion of future commitments for employee entitlements incurred as a result of employing staff and workers.
(b) Land Purchase and Development	Ongoing	Established to fund land improvements and sub-division development.
(c) Eastern Suburbs Water Pipeline	Ongoing	Established to provide funds to recycle waste water to recreation grounds. Funded by the proceeds from the sale of water to users.
(d) Jetty	Ongoing	Established to provide funds for maintenance and capital works of the main jetty at the foreshore headland. Funded from general purpose income and donations.
(e) Aerodrome	Ongoing	Established to fund future development and upgrades of the airport facility. Funded by the annual surplus derived from operation of the airport.
(f) Sanitation (Rubbish Removal)	Ongoing	Established to fund the purpose of major sanitation equipment and for the future development of waste disposal facilities. Funded from the annual surplus derived from property rubbish disposal collection fees after expenses.
(g) EHC Asset Replacement	Ongoing	Established for the purpose of Esperance Home Care to hold annual depreciation reserved and surplus cash for the replacement of HACC and other externally funded assets in accordance with HACC guidelines.
(h) Esperance Home Care Fundraising	Ongoing	Established for the purpose of holding the net proceeds of volunteer fundraising activities relating to the operation of Esperance Home Care.
(i) Unspent Grants and Contributions	Ongoing	Established for the purpose of containing funds that are derived from unspent or prepaid grants and contributions from external parties.
(j) Plant Replacement	Ongoing	Established to minimise and if possible eliminate any need to rely upon loan finance or unreasonable rate increases to finance the acquisition of major plant items as per Council Policy. Funding is from general purpose income. Amounts allocated will be re-assessed annually in response to revisions of the five year plant replacement program and the associated forward cost estimates.
(k) Building Maintenance	Ongoing	Established to hold unexpended funds from the building maintenance program for the use of building maintenance and refurbishment of Council buildings.
(l) Governance and Workers Compensation	Ongoing	Established for the purpose of future workers compensation insurance costs under the performance based contribution scheme; or cyclical gross rental valuation cost for rating purposes; or unforeseen legal costs.
(m) IT System and Process Development	Ongoing	Established to finance the acquisition and enhancement of information technology across the Shire. Ongoing appropriations from the Municipal fund are provided as and when needed.
(n) Esperance Home Care Annual Leave	Ongoing	Established to fund future commitments for annual leave entitlements as a result of employing staff. Funded from external grant funding.
(o) Esperance Home Care Long Service Leave	Ongoing	Established to fund future commitments for long service leave entitlements as a result of employing staff. Funded from external grant funding.
(p) Priority Projects	Ongoing	Established to fund sufficient capacity to assist with the design, construction and operation of priority projects as determined by Council.
(q) Off Street Parking	Ongoing	Established to provide funds for the future development of central business car parking in order to make provisions for future business expansion of the CBD. Funded by general purpose income and contributions.
(r) Community Infrastructure	Ongoing	Established to provide for future funding of community infrastructure assets.

Shark Lake Industrial Park

(a) Details

During the 2025-26 financial year the Council intends to continue to undertake a major land transaction as defined under the Local Government Act 1995. As at 30 June 2024 all lots have been sold. This development is funded by municipal and reserve funds together with borrowings. During 2012/13 the portion of debt that was contained within the short term borrowings was converted to a principal and interest loan to be repaid over 20 years.

(b) Current year transactions

Note	2025/26 Budget	2024/25 Actual	2024/25 Budget
	\$	\$	\$

13. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS

Esperance Aerodrome

(a) Details

Council's objective is to maintain a safe landing airstrip and functional airport amenities conducive to the promotion of the district as a tourist and business destination. Operating costs are met by landing fees charged.
Annual surpluses are transferred to a cash reserve to finance future improvements to the facility.

15. REVENUE AND EXPENDITURE

(a) Revenue and Expenditure Classification

REVENUES

RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specific area rates, minimum payment, interim rates, back rates, ex-gratia rates, less discounts offered.
Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

GRANTS, SUBSIDIES AND CONTRIBUTIONS

All amounts received as grants, subsidies and contributions that are not capital grants.

CAPITAL GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

REVENUE FROM CONTRACTS WITH CUSTOMERS

Revenue from contracts with customers is recognised when the local government satisfies its performance obligations under the contract.

FEES AND CHARGES

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees.
Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

SERVICE CHARGES

Service charges imposed under *Division 6 of Part 6 of the Local Government Act 1995*. Regulation 54 of the *Local Government (Financial Management) Regulations 1996* identifies the charges which can be raised. These are television and radio broadcasting, underground electricity and neighbourhood surveillance services and water.
Exclude rubbish removal charges which should not be classified as a service charge. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

INTEREST REVENUE

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which cannot be classified under the above headings, includes dividends, discounts, rebates etc.

PROFIT ON ASSET DISPOSAL

Gain on the disposal of assets including gains on the disposal of long-term investments.

EXPENSES

EMPLOYEE COSTS

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

Note AASB 119 *Employee Benefits* provides a definition of employee benefits which should be considered.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses (such as telephone and internet charges), advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc.

Local governments may wish to disclose more detail such as contract services, consultancy, information technology and rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER)

Expenditures made to the respective agencies for the provision of power, gas or water.

Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation and amortisation expenses raised on all classes of assets.

FINANCE COSTS

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or levies including DFES levy and State taxes. Donations and subsidies made to community groups.

SHIRE OF ESPERANCE
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDED 30 JUNE 2026

15. REVENUE AND EXPENDITURE

(b) Revenue Recognition

Recognition of revenue from contracts with customers is dependant on the source of revenue and the associated terms and conditions associated with each source of revenue and recognised as follows:

Revenue Category	Nature of goods and services	When obligations typically satisfied	Payment terms	Returns/Refunds/Warranties	Determination of transaction price	Allocating transaction price	Measuring obligations for returns	Timing of Revenue recognition
Grant contracts with customers	Community events, minor facilities, research, design, planning evaluation and services	Over time	Fixed terms transfer of funds based on agreed milestones and reporting	Contract obligation if project not complete	Set by mutual agreement with the customer	Based on the progress of works to match performance obligations	Returns limited to repayment of transaction price of terms breached	Output method based on project milestones and/or completion date matched to performance obligations as inputs are shared
Licences/ Registrations/ Approvals	Building, planning, development and animal management, having the same nature as a licence regardless of naming.	Single point in time	Full payment prior to issue	None	Set by State legislation or limited by legislation to the cost of provision	Based on timing of issue of the associated rights	No refunds	On payment and issue of the licence, registration or approval
Waste management entry fees	Waste treatment, recycling and disposal service at disposal sites	Single point in time	Payment in advance at gate or on normal trading terms if credit provided	None	Adopted by council annually	Based on timing of entry to facility	Not applicable	On entry to facility
Airport landing charges	Permission to use facilities and runway	Single point in time	Monthly in arrears	None	Adopted by council annually	Applied fully on timing of landing/take-off	Not applicable	On landing/departure event
Fees and charges for other goods and services	Cemetery services, library fees, reinstatements and private works	Single point in time	Payment in full in advance	None	Adopted by council annually	Applied fully based on timing of provision	Not applicable	Output method based on provision of service or completion of works
Sale of stock	Aviation fuel, kiosk and visitor centre stock	Single point in time	In full in advance, on 15 day credit	Refund for faulty goods	Adopted by council annually, set by mutual agreement	Applied fully based on timing of provision	Returns limited to repayment of transaction price	Output method based on goods

16. PROGRAM INFORMATION

Key Terms and Definitions - Reporting Programs

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Shire's Community Vision, and for each of its broad activities/programs.

OBJECTIVE

ACTIVITIES

Governance

To provide a decision making process for the efficient allocation of scarce resources.

Includes the activities of members of Council (Councillors) and the administration support services available to the Council for the provision of governance of the district. Other costs relate to the tasks of assisting elected members and ratepayers on matters which do not concern specific services.

General purpose funding

To collect revenue to allow for the provision of services.

Rates, general purpose government grants and interest revenue.

Law, order, public safety

To provide services to help ensure a safer and environmentally conscious community.

Supervision and enforcement of various local laws relating to fire prevention animal control and protection of the environment and other aspects of public safety including beaches and emergency services.

Health

To provide an operational framework for good community health.

Inspection of food outlets and their control as well as provision of meat inspection services, noise control and waste disposal compliance.

Education and welfare

To provide services to disadvantaged persons, the elderly, children and youth.

Maintenance of child minding centre, playgroup centre, senior citizens centre and aged care centre. Provision and maintenance of home and community care programs and youth support services.

Community amenities

To provide services required by the community.

Rubbish collection services, operation of rubbish disposal sites, litter control construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes, cemetery and public conveniences.

Recreation and culture

To establish and effectively manage infrastructure and resources which will help the social well being of the community.

Maintenance of public halls, civic centre, aquatic centre, beaches, recreation centre and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operations of library, museum and other cultural facilities.

Transport

To provide safe, effective and efficient transport services to the community.

Construction and maintenance of roads, street, footpaths, depots, cycleways, parking facilities and traffic control. Cleaning of streets and maintenance of street trees, street lighting etc. Provision and operation of airport. Provision of licensing facilities.

Economic services

To help promote the Shire and its economic well being.

Tourism and area promotion including the maintenance and operation of a caravan park. Provision of rural services including weed control, vermin control and standpipes. Building control.

Other property and services

To monitor and control Council's overheads and operating accounts.

Private works, plant repair and operation costs and engineering operation costs.

Schedule of Fees & Charges 2025-2026

Pricing Principles

The following pricing principles have been used by Council as a guide in setting charges.

Pricing Principles and Bases Used by Council

Pricing Principles	Pricing Basis
1. Public Benefit – service provides a broad community benefit and therefore full cost recovery should not apply. Partial cost recovery could apply in some circumstances.	Zero to partial cost recovery
2. Private Benefit – service benefits particular users making a contribution to their individual income, welfare or profits generally without any broader benefits to the community.	Full cost recovery
3. Shared Benefit – service provides both community benefits and a private benefit.	Partial cost recovery
4. Regulatory – fee or charge fixed by legislation	Regulatory
5. Recommended Retail Price and Average Minimum Mark Up	Supplier and market driven

Application of Pricing Principles to Good and Services

Bonds	Private Benefit	Full Cost Recovery

GST Disclaimer

A goods and services tax (GST) applies to a number of goods and/or services supplied by the Shire. Those goods and/or services that are subject to GST have been identified in the attached Schedule of Fees and Charges as GST applying. In accordance with the new tax legislation the prices shown for those goods and/or services are the GST inclusive price.

Some goods and/or services supplied by the Shire have been declared “GST free” or excluded under Division 81 of the legislation. Those goods and/or services which are “GST free” or excluded from GST are indicated in the Schedule of Fees and Charges as GST not applying.

The attached Schedule of Fees and Charges has been prepared using the best available information in relation to the GST impact on the fees and charges at the time of publication.

Accordingly, if a fee that is shown as being subject to GST is subsequently proven not to be subject to GST, then that fee will be amended by reducing the GST to nil. Conversely if the Shire is advised that a fee which is shown as being not subjected to GST becomes subject to GST then the fee will be increased but only to the extent of the GST.

Event Fees				
<p>Major impact event - A large scale, complex occurrence which entails significant use of physical space and resources. Typically requires extensive planning and coordination and may entail multiple or significant road closures, large scale temporary camping arrangements or considerable consumption of alcohol. Due to their scale and potential public health and safety impacts, major impact events often necessitate the involvement of additional external support resources such as Environmental Health Officers (EHOs), building surveyors, and contractors to assist with event processing, infrastructure servicing, compliance monitoring, and risk management.</p> <p>High impact event - 1000 to 5000 plus people. Exclusive use of event area. Most complex use and largest impact of space. Commercial, large scale presence. Multiple aspects requiring assessment. e.g. Esperance Ag Show & Edge of the Bay.</p> <p>Medium impact event - 500 to 1000 people. Exclusive use of event area. Moderate use and moderate impact of space. Commercial / moderate scale presence. Requires multiple assessments. e.g. Carols by Candlelight, Mother's Day Classic Fun Run</p> <p>Low impact event - 50 to 500 people. Moderate use & impact on space. Low impact on other groups.</p> <p>Social gathering - 30 to 50 people. Non-exclusive use of site. e.g. small wedding.</p> <p>No fee - Minimal impact on space.</p> <p>The Shire determines the class of the activity based on factors, including but not limited to, the following:</p> <ul style="list-style-type: none"> Number of participants / individuals / spectators involved in the activity Use of roads and car parking Approvals required by other agencies Structures Environmental impact Required management plans Charity/Not for profit
