

Candidate Details

Ballot paper name

ANDRE, Dennis

Candidate name

Dennis John ANDRE

District

Shire of Esperance

Nominating for

Councillor for Town Ward

Election type

Ordinary

Enrolment status

ANDRE, Dennis is eligible to stand for election as a resident of the Shire of Esperance.

My family has called Esperance home for generations. My grandfather came here in 1934 to work on the tanker jetty, and my parents helped found and run the local Historical Society and Museum for over 35 years. I grew up pitching in at the museum, later volunteering with Home and Community Care and Meals on Wheels, and serving the community as a school bus driver for three decades. I've also run small businesses in town, giving me insight into local challenges and opportunities. I love our beaches, fishing, and the lifestyle that makes Esperance unique. With four generations of my family attending EPS, and my father serving as a councillor and president for 12 years, I understand both the history and future needs of our town. I'm committed to representing all residents fairly, supporting local families and businesses, and ensuring Esperance remains a great place to live, work, and retire.
