Application – Placement of Ashes

Note

- For ashes placement into an existing grave or into a reserved plot, the applicant must be the grantee of the Grant of Right of Burial
- If ashes are placed into a grave with a ledger (stone slab), there is an additional fee. The Shire will handle these with care, but ledgers can become brittle over time. Therefore, the Shire cannot be responsible for any damage that may occur.

To transfer a Grant, please submit [Application for Transfer of Grant of Right of Burial](#).
