

### **EMERGENCY EVACUATION PLAN FOR OVERFLOW CAMPING AREA**

Please note the following for emergency evacuation purposes in the unlikely event of an evacuation of the overflow camp area:

1. On arrival at the camp ground please familiarise yourself with this plan.
2. If there is an incident requiring evacuation of the camp grounds please remain CALM.
3. Ensure that you leave your camp site quietly and expediently.
4. If you have pets take them with you ensuring they are secured on a lead or in a carry box.
5. On leaving your camp site please walk towards the grassed oval football oval which is directly due North or opposite the overflow camp ground. This area is clearly marked with signage stating "emergency assembly area".
6. Please proceed onto the oval proper, Call "000" to advise emergency services of the type of incident.
7. Wait for further instructions and remain on the oval until advised to move.
8. Emergency services will attend on notification of an emergency situation and will advise visitors on the best course of action.

**Please do not attempt to gather any belongings or delay your evacuation and do not return to the area until you are advised it is safe to do so.**

**We thank you for your co-operation and understanding in this matter and hope that you never need to utilise the evacuation area, however this information is for your safety.**
