

ENQUIRY FORM

Please be aware that the Museum is staffed by volunteers who only work limited hours each week. The volunteers are not able to provide a full research service and can only provide a brief overview of the items that are within the Esperance Museum collection. However, if you are visiting Esperance you could make an appointment to access the records and conduct the research you require. We will acknowledge your enquiry upon receipt and aim to provide you with a more detailed response within 4 weeks.
