

Wylie Bay Waste Facility

Waste and Recycling Information

The Shire of Esperance Recycling Shed is a Materials Recovery Facility (MRF). It is situated approx 10kms east of Esperance on the same site as the Wylie Bay Landfill. The Recycling Team sorts and bales recyclables at the facility, preparing them for transport to Perth.

Wylie Bay Waste Facility strives to divert as much material from landfill as possible. Help us maximise landfill diversion by sorting your load prior to arrival - it will save you time & money!
