**INFORMATION NOTE:** It is a requirement that the premises is treated to kill any rodents which may be on the property **prior** to issue of a demolition permit. A rodent bait shall be placed in each room, the roof space and sub floor (if applicable) and left for a minimum of 14 days.

Alternatively, you may submit a certificate from a licensed pest control operator with this application form certifying that the premises has been satisfactorily treated to ensure that it is not infested by rodents at the time of demolition.

A rodent treatment certificate must be submitted with the application for a demolition permit. A demolition permit will **not** be issued without a valid certificate.
