PT is the perfect compliment to your membership. It's not as intimidating as it sounds; it doesn't have to be ongoing, a few sessions can do wonders to kick start or strengthen your fitness regime.

Personal training is about empowering you to be fitter, stronger and to bring out your confidence. The workouts are fun, energizing and enjoyable as it is tailored to your fitness level, whether you're a first time exerciser or a competitive sports person.

Workouts are customized for you.

Our trainers will....

- Teach you new things
- Ensure every workout counts
- Challenge your limits
- Help you set and reach unique goals
- Stop you from plateauing

Why not try a one on one with one of our highly qualified PT's today.
