One & All Program a Hit

The Shire's quarterly One & All Program was a huge hit these past school holidays with around 100 participants attending each session throughout the week. Taking place from 12 - 15 July, participants enjoyed Futsal, Ninja Kids Exercise, a movie, and Games Galore & Brick Club. The free program is delivered each school holidays in collaboration between the Shire and Escare. Keep your eyes peeled for information about the September program.

Volunteer Resource Centre on the Move

After nearly 20 years on Dempster Street, the Volunteer Resource Centre has packed up and is moving to their new home at the Esperance Public Library. While their location is changing, the Volunteer Services they provide will remain the same. If you want to volunteer or need assistance recruiting volunteers, the team plan to be operational from the beginning of August and can help. If you're a local organisation looking to hire equipment, please give a week's notice so items can be packed and ready for you. We apologise for any inconvenience and appreciate your patience as the team adjusts to the new set up. While they're in the process of moving you can reach the service via email at volunteer@esperance.wa.gov.au or on their Facebook page. For urgent matters, call 0412 445 615.

Thank You Animal Rescue Cooperative

The Shire's Animal Management Facility recently received a pallet of dog food for the pound pooches, graciously donated by Animal Rescue Cooperative (ARC) through their Companion Animal Rescue Food Program. Our good friends at SAFE Esperance, whose unending support the community and Shire would be lost without, also received two pallets of food. ARC's mission is to save animals by supporting rescue. They do this by providing an "at scale" support program helping rescuers, peak bodies and aligned industry partners to get help where it is needed. We would like to send a big thank you to ARC and their sponsors, PetBarn Foundation, and everyone involved for the generous donations and valuable time.

Watch Our Council Meetings

Did you know we record our monthly Ordinary Council Meetings? We're currently uploading the recordings to our website in anticipation to commence livestreaming meetings in October this year. Our next Ordinary Council Meeting will take place at 4pm on Tuesday 24 August. If you can't join us in the Council Chambers, this is a great way to watch local democracy in action.
