

Tanker Jetty re-opens for Easter

By MOLLY BAXTER

PEOPLE in Esperance relished having the Tanker Jetty open in time for the Easter break.

Community members flocked to the jetty to enjoy the weekend off and spend quality time with family and friends.

Despite some over-cast and windy days, there were plenty of smiles going around and a few good catches for those enjoying a spot of fishing.

A new car park opposite the Cannery Arts Centre on Norseman Road provides access to the jetty.

The new car park offers 36 new spaces, with two disabled parking spots.

The Esperance Water-front Project is planned for completion in mid-August.

Holidays: Zoe, Emma and Blair Lynch-Blosse spend quality time together.

Relaxed: Warrwick, Jed and Toby Davies make the most of the long weekend.

Esperance Easter services well attended

LOCAL church leaders have hailed this year's Easter celebrations as a success.

One of the most important events on the Christian calendar, the Easter holiday marks the resurrection of Jesus Christ.

Esperance Uniting Church reverend Robert Dummermuth said it had been a positive Easter celebration.

"We had a good turnout at our Good Friday service in Condingup," he said.

"We had a smaller than usual crowd for the sunrise service on the foreshore but this may have been due to the different location.

"On the whole, it was very successful."

St John's Lutheran Church Esperance pastor Adrian Kramer said the Easter message had been well received.

"People enjoyed the message," he said.

"Our Easter services went very well and were well attended."
