

Esperance Express Christmas Message

Esperance Christmas

The Esperance Shire Council and staff are committed to community, and whilst the past year has brought challenges, we have had many reasons to celebrate our successes and achievements. In the face of adversity our volunteers and emergency services have once again delivered beyond expectation, being recognised in the Coastal Bravery and Emergency Services Awards. I'd like to take this opportunity to thank everybody in our wonderful community who gives so generously of their time to provide services, infrastructure, events and emotional support in a diverse range of areas and service clubs. The people of Esperance help make our town unique, vibrant, and innovative, and this in turn attracts visitors to experience Esperance's hospitality, our pristine coastline, and of course, the world famous kangaroo on the beach!

On behalf of the Shire of Esperance I would like to wish you all a very Merry Christmas and a Happy New Year and if you're going to be spending time on the road, please remember to 'Slow Down and Enjoy the Ride.' No doubt 2018 will bring us a few curveballs, but we're ready to face them and to celebrate all the good things we have planned to deliver to our community.
