CLASS	DESCRIPTION
LesMills BodyAttack	A high-energy fitness class with moves that cater for total beginners to total addicts. Combining athletic movements like running, jumping and lunges with strength exercises such as push-ups and squats. An instructor will pump out energising tunes and lead you through the workout – challenging your limits in a good way and leaving you with a sense of achievement.
LesMills BodyPump	Is the original barbell class that strengthens and tones the body. This workout challenges all major muscle groups by using the best weight room exercises like squats, presses, lifts and curls. Pumping music, awesome Instructors and the fastest way to lose body fat and shape up.
LesMills BodyBalance	Yoga, Tai Chi and Pilate's workout building flexibility, improving posture, joint mobility and range of movement to ensure fewer injuries. Controlled breathing, moves and poses to music creating so much more than a simple workout, it's your personal 'time out' from the stress of daily living.
MetaPower	MetaPwr is a unique metabolic resistance workout, providing resistance training to build muscle, burn fat and improve fitness.
MetaFit	Metafit is a high intensity workout including a series of body weight exercises with interval style training, designed to keep your body burning calories long after your training session is complete.
MetaCub	MetaCub is the amazing, fun new HIIT workout for kids (3-9yrs) that helps develop strength, co-ordination and confidence. An example on how to teach the foundations of a healthy lifestyle and great exercise habits.
Pilates	Pilates is based on the principal teachings of "Joseph Pilates", the creator and founder of Pilates. His philosophy of continually improving physical and mental health through movement is the foundation of this class and the benefits have no boundaries.
Studio Pilates	Studio Pilates uses traditional Pilate moves, Pilate circles and bands to increase resistance in the workout which gets you that incredible body toning results.
PowerSpin	Is a challenging 50 minute class that combines the cardio from a Spin class and weight workout from a Pump Class. Push your body to its limits.
Spin	A dynamic indoor cycling workout which takes you through an energy charged cardiovascular fitness, muscle strength and endurance. Classes include a variety of sprints and hill climbs with motivating music. If it is a calorie burn you seek, then this is the class for you.
Step & Tone	For all the people who love a good old fashion cardio program using a step, finishing off with an all over weights and toning session.
Thump	A power packed class focussing on boxing training techniques incorporating cardio with muscle conditioning. This class provides a challenging workout for all around fitness.
Teen Gym	An activity for the independent teenager between 12 - 16 years wanting to live a healthy and active lifestyle. Under the guidance of a qualified instructor between the advertised hours. No bookings required.
Bootcamp	Bootcamp provides a mixture of strength exercises and cardiovascular training that will give almost every muscle in your body a workout. Sessions involve a warm-up and cool-down, bodyweight exercises, running, stretching, relays, and exercises with a partner.
AquaFit	Is a low impact class in which the water helps support your body and provides resistance to increase your strength and improve your health. Classes are perfect for people wanting to increase fitness without straining their body.
mSwing	Is a group exercise class that uses 0-5kg weights with simple easy movements that will help improve your cardio vascular, bone density, mobility, strength and flexibility. This program is suited to everyone of any ability, work at your own pace, intensity and range of movement all the while with a BIG SMILE.
