BANNERS IN THE TERRACE WINNERS

The Shire of Esperance would like to announce the winner and runners up of the 2017 Banners in the Terrace Competition. Congratulations to the following entries:

- Overall Winner: Middle School, Education Support Centre, Esperance Senior High School – Secondary School Category
- Runner up: Andrew Reynolds – Professional Category
- Runner up: Charlie Liddelow – Upper Primary Category
- Highly Commended: Will Pike – Junior Primary Category

There were 141 entries in total, surpassing the 25 received last year. The winning design and the runners up will be on display in the Esperance Public Library from Monday 8 May. In the coming weeks all the entries will be displayed in the library.

Shire President Victoria Brown said, “It was fantastic to see so many entries this year. The amount of work that has gone into each entry is outstanding and was commented on by Council. Everyone should be proud of their final design.

“The combined effort of the group of students behind the winning entry was exceptional. The story behind creating the piece is as good as the final design! The group worked together to decide on the elements to incorporate into the artwork for the final banner. The construction of the background was particularly creative as was the incorporation of Aboriginal dot painting which meant that Aboriginal culture was represented in the banner. I am so pleased this design will be representing The Shire of Esperance in Perth this year.”

The theme for this year’s competition was Members First which encouraged entrants to think about how communication and connection are important as members of the Esperance community.

The winning design will be displayed with banners from 80 other West Australian Local Governments, along St Georges Terrace and Adelaide Terrace during the Annual Local Government Convention at the end of July this year.
