Banners in the Terrace Winners

The Shire of Esperance would like to announce the winner and runners up of the 2018 Banners in the Terrace Competition. Congratulations to the following entries:

- Winner : Tyler Hawkins Yr 6 Castletown
- Runner up : Jilly Nichols Yr 6 Castletown
- Runner up: Barbara Boucher & Arthur Boucher

There were 89 entries in total this year and the winning design, along with the runners up will be on display in the Esperance Public Library during Local Government Week.

The theme for this year's competition was "Ready and Relevant" and entrants were encouraged to interpret and incorporate the meaning of these keywords into their design.

Councillors voted for the best local design which will be digitally printed on a banner and exhibited in the City of Perth with 80 other West Australian Local Governments along St Georges Terrace and Adelaide Terrace, from Sunday, 22 July – Saturday, 4 August to help celebrate the Annual Local Government Convention.

Shire President Victoria Brown said, "Councillors enjoyed looking at all the colourful entries to pick the winners and runner ups. It was clear that an outstanding amount of work had gone into each entry and we look forward to seeing our Esperance Banner flying in Perth later this year."
