29 March 2019

Showcase Esperance

You can be involved in #shoWcAse IN PIXELS - one of the state's largest community arts projects - and have a chance to win a \$500 prize.

The annual exhibition of artwork from Local Governments will be displayed from 29 July to 11 August in a new format and venue this year – at the iconic digital tower at the heart of Yagan Square!

Traditionally, the artwork, in the form of physical banners, were displayed on the poles along St Georges and Adelaide Terrace. This year, the WA Local Government Association (WALGA) has the opportunity to display digital artwork designs on the 45-metre high tower at Yagan Square, which features a circular screen with 14 columns, representing the 14 Noongar language groups.

This is an opportunity to showcase our beautiful region and our local talent to the thousands of people visiting the Perth Central Business District.

As the competition is now wholly-digital - the medium and canvas you choose is up to your imagination! Individuals, schools, community groups and professional artists within the Shire of Esperance are invited to submit digital designs for the 2019 competition.

Councillors will vote for the best local design to be submitted into the WALGA #shoWcAse IN PIXELS competition. A prize of a \$500 voucher from a local business of your choice will be awarded to the winner.

Shire President Victoria Brown said, "It's always fun going through all the designs and seeing how creative our community is. It will be interesting to see the designs in a different medium this year."

Entries must be submitted via email to the Shire of Esperance by Friday 10 May 2019, visit the Shire website for more information.
