WA GOVERNOR VISITS ESPERANCE

The Governor of Western Australia, Her Excellency the Honourable Kerry Sanderson AO visited Esperance yesterday to pay her respects to those who lost their lives during the November bushfires.

The Governor attended the Memorial Service for Tom Butcher before meeting with Shire Councillors, the CWA Esperance Bay and Districts Branch who helped during the fires, and representatives from Southern Ports. She also met with families whose homes were lost during the fires, and attended the fire affected area of Scaddan.

The Governor was one of the first visitors to the newly opened Esperance Recovery Information Centre.

Shire President Victoria Brown said "It was an honour to meet the state representative of the Queen, and to once again be shown how much support there is for our community in the wake of the terrible fires."
