## Recycling Week Competition

WINNER! Congratulations to Jason Eade who won the Facebook competition and was the closest guess for the weight of this bale of cans. This bale is 180kg which is around how much they normally weigh when baled up at Wylie Bay Recycling Facility. Many items are recyclable within the Shire and are listed on our website, if you're not sure if something can be recycled please contact us, we'd be happy to help.

## Fire Education

Over the past 15 years several Brigades within the Shire have been providing an annual information session to seasonal farm workers around the initial response to a bush fire. In 2016 the program was further developed and delivered in a more formal session across the Shire. In preparation for the 2017/2018 Fire Season the sessions were held again. Over 200 seasonal workers and permanent farmers attended the training, learned valuable information about fire behaviour, what to do in the first stages of a fire starting and how to ensure they make good decisions and keep themselves safe. Nearly 50 participants attended the session at the Neridup Bush Fire Brigade shed, after listening to the formal presentation the group got to play with "Smokey 1".

## Grace Darling Park Temporary Closure

Shire of Esperance will be removing the existing perimeter fence around Grace Darling Park, and replacing it with a new perimeter fence. The works will commence Monday 4th December, and Grace Darling Park will be closed to the public Monday 4th to Friday 8th December 2017 due to the various machinery being used on site.

## New Look for Spin Room

The upgrades to the Spin Room are now complete and classes are running as normal. The new layout, fresh flooring and lick of paint have refreshed the room and should encourage those legs to spin!

Spin is a dynamic indoor cycling workout that will have you bopping to the music and wiping the sweat off your brow. The 45 minute workout focusses on cardiovascular fitness, muscle strength and endurance. If your looking for more of a challenge you can try Powerspin which includes all Spin has to offer and includes a weight workout.

Spin is on Mondays and Wednesdays from 4.30pm, Wednesdays and Fridays from 6am and at 9.15am on Fridays. You can try Powerspin at 9.15am on Tuesdays or 5.30pm on Fridays.

Head to the Shire's website to learn about other classes at the Bay of Isles Leisure Centre or pop in and try one today! There will be an end of year celebration and a chance to congratulate everyone who participated in the Archipelago Challenge on Sunday December 3, with free entry 11am-2pm. See you there!
