

This survey is to gather input from the community to determine a future design for a jetty replacement. The responses will be used by Council to guide and inform all decisions needed to develop a concept design. The responses gathered will be combined with those received from community engagement undertaken in 2013. The main points determined in the 2013 workshops were:

- Participants want a replacement structure
- The replacement structure should be in the same location (headland)
- The replacement needs to be iconic in nature, retaining the same curvature as the existing jetty.

Please take the time to complete the survey to ensure the broadest community voice is heard. All relevant questions must be answered and anonymous surveys will not be accepted. Survey closes Monday 21st March 2016.

1. Do you want a structure to replace the Tanker Jetty?

- Yes No (if no, go to question 9)
Why?
-

2. In 2013 community engagement indicated that a Tanker Jetty replacement should be built at the headland, do you agree?

- Yes Not sure
 No
What is your preferred location?
-

3. In 2013 community engagement stated that fishing was the highest recreational use for the Tanker Jetty, what do you feel are the preferred uses? (select your top three preferences)

- | | |
|--|---|
| <input type="checkbox"/> Fishing | <input type="checkbox"/> Photography |
| <input type="checkbox"/> Showing visitors to Esperance | <input type="checkbox"/> Walking |
| <input type="checkbox"/> Diving | <input type="checkbox"/> Other (please specify) |
| <input type="checkbox"/> Offering a visual aspect in the bay | |
| <input type="checkbox"/> Swimming | |
-

4. What features would you like to see with a Tanker Jetty replacement? (select your top three)

- | | |
|--|--|
| <input type="checkbox"/> Fish cleaning bench | <input type="checkbox"/> Diving platform |
| <input type="checkbox"/> Low level platform | <input type="checkbox"/> T junction at the end of the jetty? |
| <input type="checkbox"/> Seating | <input type="checkbox"/> Other (please specify) |
| <input type="checkbox"/> Shade shelters | |
-

5. What is the predominant design feature you would like to see? (select one)

- | | |
|---|---|
| <input type="checkbox"/> Unique design to Esperance (Iconic in construction) | <input type="checkbox"/> Contemporary design using innovative building concepts |
| <input type="checkbox"/> Traditional jetty design (designed to look similar to what is there now) | |

6. How would you like to see the heritage value of our Tanker Jetty Recognised? (select one)

- Happy with the heritage recognition that is already in place on the headland and foreshore
- Incorporate some usable elements from the Tanker Jetty in some aspect in the replacement design
- Leave some piles below the water line for a dive trail
- Other (*Please specify*)

7. Our Shire currently has \$2 million to build a replacement. If external funding applications are not successful your preferred option would be to ... (select one)

- Build a smaller jetty (built to funds available) (*Go to question 9*)
- Defer building the Tanker Jetty replacement until funds are available (*Go to question 9*)
- Increase rates to cover the cost of the Tanker Jetty replacement to begin building as soon as possible once demolition is complete (*Go to question 8*)

8. I am prepared to pay ...% in rates to go towards a replacement. (This increase would be to cover the cost of a loan to build a replacement) For example if your current rates are \$2,000, a 1% increase will add \$20 per annum and a 2% increase will add \$40 per annum.

- 2% increase to cover a \$4 million loan (a total build cost up to the value of \$6 million)
- 1% increase to cover a \$2 million loan (a total build cost up to the value of \$4 million)

9. To assist in grant applications personal data is vital to ensure a full understanding of the community and regional desire to build a Tanker Jetty replacement and its potential design. This information will not be used for any other purpose than to highlight the strong community support that exists to State and Federal funding programs when applying for grants. Anonymous responses will be discarded.

Name: _____

Address: _____

City/Town: _____

State: _____

Postal Code: _____

10. Your age at the time of completing the survey?

- Under 18
- Over 18

11. Are you...

- an owner/occupier of property in Esperance
- a resident in Esperance
- an owner of property in Esperance
- a visitor/tourist to Esperance
- a previous Esperance resident
